Summary

Entry-level analyst with IBM Data Analyst training and hands-on **Excel, SQL, Python, and Power BI**. Comfortable cleaning messy data, building KPIs, exploring trends, and presenting clear dashboards for decisions. Open to **Junior / Werkstudent / Internship** roles in the Frankfurt–Fulda area or remote.

Skills

Core: Excel (Pivot, Lookup, Power Query), SQL (joins, CTEs, window fx), Python (pandas, NumPy), Power BI (DAX, Power Query), Matplotlib

Data Tasks: Data cleaning & wrangling, EDA, KPI design, dashboarding, basic statistics

Extras: IBM Cognos Analytics, Web scraping (Requests, BeautifulSoup)

Languages: English (fluent), Arabic (native), German (B1)

Projects

Stock & Revenue Dashboard (Tesla & GameStop) — Python/Plotly

Rebuilt the IBM/Coursera assignment locally in VS Code. Pulled prices with **yfinance**, scraped quarterly revenue with **Requests + BeautifulSoup + pandas**, cleaned & merged datasets, and built interactive Plotly dashboards (exported HTML). Repository: github.com/omarrageh101/stock-dashboard

Certifications

- IBM Data Analyst Professional Certificate — in progress (Intro to DA, Python for DS, Excel Basics, Data Viz)
- Python Project for Data Science (IBM)

Relevant Experience

Data Analytics — Self-Directed Study (Coursera/IBM/Microsoft/Google) • Aug 2025 – Present

- Structured plan (15–20 hrs/week) across Excel, SQL, Python (pandas/NumPy), Power BI, statistics.
- Built interactive dashboards and performed web scraping; published to GitHub with README docs.

Other Experience (Transferable)

- Webflow Developer — Vaayu (Feb–Jun 2024): collaborated with designers, shipped responsive pages, maintained SEO basics.
- Customer Service Representative — Teleperformance (2021): resolved inquiries across regions; improved processes via feedback.
- Additional roles: Restaurant Cashier (2024), Host (2023), Junior Gameplay Programmer (2019).

Education

- Hochschule Fulda — B.Sc. International Business & Management (2022–2027 expected)
- Ain Shams University — B.Com Accounting (2019–2022)
